ANNUAL REPORT

OF THE

Chief and Clerk of Fire Department.

NEWMARKET, N. H., Feb. 15, 1914.

TO THE TOWN OF NEWMARKET:

In compliance with the law, requiring the Chief Engineer of the Fire Department to make an annual report to the town, the following report is respectfully submitted.

FORCE OF THE DEPARTMENT.

The regular force of the department consists of a chief and three assistant chief engineers, two hose companies of 16 men each, one hook and ladder company of 12 men, and a driver for hose wagon No. 3. Each company is allowed to have five substitute members, who, when acting as such, are paid for their services by their principals when acting as substitutes, making a total force of 49 officers and men available for fire duty, all of whom are subject to monthly out-door drill except in winter. The companies are well officered, are under good discipline, and the service done by them at fires during the past year would be creditable to any fire department.

FIRE APPARATUS.

One hose wagon, capacity 1000 feet hose; three play pipes; two axes; two three-gallon chemical extinguishers; wagon is arranged to lay one or two lines of hose at once, as may be desired; one double runner hose pump of same capacity as hose wagon; two Gleason & Bailey hose carts, chain winding reels, each with a capacity of 700 feet of hose; 2500 feet $2\frac{1}{2}$ inch rubber-lined hose; 1000 feet 2-inch rubber-lined hose; nine flexible play pipes; four solid play pipes; six Callahan shut-off nozzles; two single hydrant gates; two two-to-one Siamese connections; one one-to-two Siamese connection; 32 spanners; seven hydrant wrenches; ten lanterns; four torches; two crowbars; 12 shovels; five hoes; four fire axes; eight coats; 18 fire hats.

The Gleason & Bailey steel frame truck, No. 2, carries one 45-foot East Somerville extension ladder; one 26-foot, one 25-foot, one 24-foot and one 18-foot single ladders on truck; also one pull-down hook and chain and rope; four hand hooks and poles; two crotch poles; two fire axes; two crowbars; two pick-head sledges; 12 rubber buckets; four firemen's lanterns; four pairs of boots; one signal lamp; one 13-inch gong.

FIRE ALARM.

One 12-inch steam chime whistle; one 2000 lb. bell and striker; two 18-inch gongs; two 6-inch gongs; twelve fire alarm boxes; seven miles of wire, and the proper amount of battery to sustain the same.

The line was inspected in the fall and put in as good condition as possible for the winter. The fact that the system of alarm has always been found in working order when needed is a great source of satisfaction to the Board of Engineers, the superintendent of battery, the firemen, and citizens in general.

GENERAL REMARKS.

We have had about the average number of fires the past year, 17 alarms, with a total loss of \$3,351.37, of which only \$1,158.87 was covered by insurance.

The Board of Engineers have done everything possible to keep the system in working order and with one or two possible exceptions the alarm has been in good working order when needed.

To my associates on the Board of Engineers and to the officers and members of the fire companies, I hereby express my high appreciation of the promptness in responding to alarms and the cheerful manner in which you attended to your duties at fires.

MATTHEW T. KENNEDY,

Chief Engineer.

FIRE LOSSES AND INSURANCE.

Total number of fire alarms the past year, seventeen. Total amount of damage, \$3,351.37. Amount of insurance paid, \$1,158.87.

FIRE RECORD.

Statement of details of fires and alarms, losses and insurance, as reported to the Clerk of the Board of Engineers by property owners and insurance agents.

March 17, 1913. Alarm from box 63 at 12.45 P. M., for a chimney fire on Ham street. All-out sounded at 1 P. M. No damage.

March 19. Alarm from box 34 at 2.45 P. M., for a brush fire near the B. & M. depot. All-out sounded at 3.15 P. M. No damage.

March 23. Alarm from box 12 at 10 A. M., for fire in the brick block of Felix Smith on Main street. All-out sounded at 10.15 A. M. Damage, \$25; insurance paid, \$25.

March 31. Alarm from box 12 at 5 P. M., for a fire in

the house of Charles Roberge on Mt. Pleasant. All-out sounded at 6 P. M. Damage, \$18.50; insurance paid, \$18.50.

April 20. Alarm from box 12 at 9.30 A. M., for a fire at Darius Mariotti's on the Wadley's Falls road. All-out sounded at 11.30 A. M. Damage, \$1,750; insurance paid, \$750.

May 30. Alarm from box 7 at 12.15 P. M., for a fire on Nichols Ave., in a house belonging to the Newmarket Manufacturing Co. All-out sounded at 2 P. M. Damage, \$1,225.87; insurance paid, \$1,225.87.

June 28. Alarm from box 63 at 2 A. M., for a fire in a pile of rubbish near property owned by G. H. Willey on the North Side. All-out sounded at 2.30 A. M. No damage.

July 1. Engineers' call at 3.30 P. M., for a brush fire on the Bay road. All-out sounded at 4.30 P. M. No damage.

July 13. Alarm from box 7 at 3.30 P. M., for a brush fire in the Young pasture. All-out sounded at 5.30 P. M. No damage.

July 27. Engineers' call at 5 A. M., for a fire in the park of the Newmarket Manufacturing Co. on Shackford's Hill. All-out sounded at 5.30 A. M. No damage.

July 27. Engineers' call at 12 noon, for a brush fire on Durham Point road. All-out sounded at 1 P. M. No damage.

Aug. 22. Alarm from box 12 at 11 A. M., for a brush fire in the Haines pasture near Kent's stable. All-out sounded at 11.45 A. M. No damage.

Dec. 8. Alarm from box 7 at 7.30 P. M., for a chimney fire on Nichols Avenue. All-out sounded at 7.45 P. M. No damage.

Dec. 10. Alarm from box 21 at 7.15 P. M., for a fire in the Brook's Block on Main street. All-out sounded at 7.45 P. M. Damage, \$70; insurance paid, \$50.

Jan. 4, 1914. Alarm from box 12 at 12.15 A. M., for a chimney fire in the building on Main street owned by St. Mary's church and occupied by Miss Tewhill. All-out

sounded at 12.45 A. M. No damage.

Jan. 12. Alarm from box 5 at 7.15 P. M., for a chimney fire in house of Israel Beauchaine on Chapel street. All-out sounded at 7.30 P. M. No damage.

Jan. 23. Alarm from box 21 at 11.45 A. M., for a fire in the Star Theatre building on Main street. All-out sounded at 12.15 P. M. Damage, \$262; insurance paid, \$262.

FIRE ALARM TELEGRAPH AND FIRE DEPARTMENT SIGNALS.

LOCATION OF BOXES.

- No. 5. Chapel street.
- No. 7. Granite Hose, Station 2, N. F. D.
- No. 12. Tiger Hose, Station 1, N. F. D.
- No. 21. Town Hall.
- No. 32. Corner Exeter and Mt. Pleasant streets.
- No. 34. Exeter street, near residence of F. H. Durgin.
- No. 41. Pumping station, Newmarket water works.
- No. 45. Corner Main street and Treadwell avenue.
- No. 49. Main street, near residence of George A. Burbank.
- *No. 63. North Square, North Side.
- No. 65. Main street, North Side, near residence of Walter I. Ham.
- No. 82. Newmarket Manufacturing Co.

DIRECTIONS FOR RINGING IN AN ALARM.

When a fire breaks out the person discovering it should immediately run to the box *nearest the fire*, break the glass in the front of the small key box which is on the side of the fire alarm box, take out the key, which is attached to a chain, unlock the fire alarm box, open the door and pull down the hook *as far as it will go*, then let go the hook. Stand by box to direct the firemen. Don't pull in an alarm for a fire seen at a distance or out of reach of the hydrant system, but notify some member of the department, who will give the proper alarm.

FIRE DEPARTMENT SIGNALS.

Second alarm, 8 blows, for reserve apparatus and call firemen.

2 blows after fire alarm indicates fire all out.

2-2-2. Brush fire. Report to the Fire Warden at Station 1.

3-3. Hose 3 call. For chimney fires, etc.

4-4-4. Call to Newmarket Manufacturing Co.'s hose company for assistance.

U. S. Observatory standard time, by Western Union Telegraph, one blow at 12.30 P. M., daily.

Hook and Ladder Co. and Hose 3 will answer all box calls.

Hose 1 will answer boxes 5, 7, 12, 21, 32, 34, 41, 45, 49 and 82, with apparatus.

Hose 2 will answer boxes 5, 7, 12, 21, 63, 65 and 82, with apparatus.

Report of the Civic Department

OF THE

WOMAN'S CLUB.

In submitting this, the first report, to the tax payers of the town, we give a summary of what has been done.

We have been able to accomplish more than we thought possible when asking for the two hundred dollars to keep the gutters clean on Main street. The rubbish-cans were placed for use the 29th of March, and were emptied every clean-up day until the 27th of December, thirty-nine weeks. Four more cans were bought and paid for out of the appropriation, also the can-carrier and brooms, as you will see by the treasurer's report. A rubbish burner was procured and used to some extent, but not so much as we had hoped.

We were able to secure the services of a very efficient man for the work; one who was interested in keeping the street clean. He not only cleaned the gutters, but the whole street from the bridge on the North Side to the railroad bridge, picking up paper and litter for a short distance on all streets leading from Main street, three times each week, until snow came, and since that time has picked up the litter as often as was deemed advisable and the weather would permit.

All other work done by this department, as repairing, replacing and caring for the shrub beds and grass plots, was paid for out of its own funds, much labor and material being given by individuals.

In asking for a larger appropriation for the coming year, we hope to extend the work in the same way on other streets that very much need cleaning up.

It would make the work much easier, and reduce expense, if use of the cans could be more general; if the children would use them more; if the storekeepers would be more careful, and our citizens would not throw tobacco boxes and cigarette cases in the street; and if our young people would remember to use the cans for their empty candy and peanut bags, and our householders would burn all their old papers, boxes, and rubbish of all kinds that would burn, in their stoves or heaters. In fact, if everyone would help, we could easily make this the cleanest town in the state, as well as a more healthful one to live in.

MRS. E. E. DAVIS.

Chairman.

SCHOOL DEPARTMENT.

REPORT OF SCHOOL BOARD.

The report of the Superintendent gives the statistical information required by law.

In accordance with the law, approved March 10, 1909, requiring the School Board to submit estimates relative to statutory requirements, to be raised by the Selectmen in their annual assessment of taxes, the Board submits the following :

For text books and scholars' supplies, \$500.00.

For flags and appurtenances, \$50.00.

We note with satisfaction the improved condition of our schools during the past year.

MICHAEL B. GRIFFIN,	}	<i>School Board of Newmarket.</i>
ERNEST P. PINKHAM,		
FRANK H. DURGIN,		

REPORT OF SUPERINTENDENT.

TO THE HONORABLE SCHOOL BOARD OF NEWMARKET, N. H.,

Gentlemen: I enclose herewith the several statistical reports covering the period between September, 1912, and June, 1913, as required by law. These reports show an increased number of pupils in the grades and since September, 1913, to the present time the number of pupils in the high school is larger than for some time, in fact, I can find no records when the number of pupils in the high school was as large as at present. I think it is a fair assumption to say that this interest in a high school education is due primarily to the introduction of a practical business course, and that it is practical I have only to say that I am dictating this report to one of the members of the present senior class, who will later furnish me with a typewritten copy of the same.

Our modern language department is in a remarkably fine condition and it is due to the discriminating work and the excellent ability of the teachers in charge. The number of boys who are pupils in courses in French in the different high schools of the state would show a very much smaller percentage of interest and acquirement than is shown right here in our home town.

While I speak of the work in the high school first it is only because their ability there depends so much upon the good training they may have received in the grades below. Each teacher then is contributing her work and talents for the benefit of a better education for her pupils who attend the

high school, and the work of one school is therefore absolutely dependent upon the work that has gone before it. The tactfulness and the unsparing devotion of all the teachers is therefore to be very highly commended, for they certainly have shown themselves as dependable teachers, teachers who in the true sense are leaders of the child.

We are adapting our work to the individual and to individual needs that they may become useful and helpful members of the society into which they may be hereafter thrown, but more particularly the work is being adapted to the development of power, power to think accurately, to judge wisely and finally to become of service to the community which has given them the opportunity of a practical education. The fundamental subjects of the course, as reading, writing and arithmetic, are being treated as not only just as valuable as they ever were but more so. We are endeavoring to build upon this necessary foundation an additional one which will give to each pupil that graduates from our high school an outlook upon life in which they may see and in which they may feel that they have the power and the ability to be of immediate use to the people of the town who require intelligent assistants.

In conformity with this general plan of making our education useful and beautiful, you introduced in September a course in drawing throughout the grades under the charge of Miss Alma B. Roy, whose work is being quietly and effectively done and is proving to be an additional step toward that more complete and useful education of which we have been speaking.

During the year there have been a few changes in the teaching corps. Miss Sherry's place at the North Side is now being filled, and very acceptably so, by Miss Madeleine E. Doe, a graduate of the Newmarket High School of 1913. Ill health caused the resignation of a very excellent teacher, in the person of Miss Mary Casey, whose place is now per-

manently supplied by Miss Anna Kavanaugh. Fortunately, no other changes have been deemed necessary, and unless there are some very good reasons for making a change it is extremely desirable that as few as possible occur in the teaching force.

A knowledge of the work to be accomplished, coupled with the additional knowledge of the temperament and ability of the brothers and sisters who have gone to other schools, makes the work of the teachers much more efficient, because of their increased knowledge of home conditions, and thereby saving considerable time, all of which is spent in the advancement of the pupils at the present time under their charge.

I wish to express personally my thanks to the committee, and to the citizens generally, for their consideration and kindness at a time this winter when consideration and kindness meant a great deal to me. So thanking you individually and collectively for your co-operation and support, I submit this somewhat hastily dictated report for your consideration.

Very truly yours,

F. S. SUTCLIFFE,

Superintendent of Schools.

Dictated by F. S. S. to Harriett H. Carpenter.

PUBLIC LIBRARY.

REPORT OF TRUSTEES.

The library has steadily increased in usefulness during the past year, the circulation now being about seven hundred volumes per week, and is largely used by our public schools. Two hundred and fifty-eight volumes have been added during the year. Eighty-six volumes are now out for re-binding. A fine oak book stack has been purchased, with adjustable shelves and capable of extension. The money received from fines, \$6 50, has been put into magazines for the reading room, in addition to those donated by the Woman's Club, where from fifteen to twenty-five persons gather around the tables in an evening. With the money received from the District Nurse's Association Mrs. Mathes purchased books and games for the children.

At the last meeting of the Board it was voted that Mrs. Mary B. Mathes be Librarian, as she has long and faithfully fulfilled the duties of the office. Library correspondence will hereafter be addressed to her.

We regret the loss of three members of the Board during the year and hope that their successors will add new interest to the work.

C. A. HAINES, *Trustee.*

REPORT OF TREASURER.

CLARA A. HAINES, *Treasurer, in account with Public Library.*
